**ACADEMIC FORGIVENESS (AF)**

Fisk University recognizes that some potentially good students enroll in curricula for which they may not be suited or properly prepared, resulting in poor grades. Although these students may become academically successful after changing curricula or becoming better prepared for their coursework, they often are unable to overcome a previously poor academic record, a problem that can lead to academic probation. To address this concern, the University has a policy by which students may petition the Provost and Vice President for Academic Affairs.

**ACCREDITATION** Fisk University is fully accredited by the Southern Association of Colleges and Schools.

**REGISTRAR'S SIGNATURE** Official transcripts bear the Registrar's signature at the end of the transcript and the official university seal.
